**Climate/Parent Survey Results:**

Results of a 2012/2013 School Climate Survey indicates that parents are seen as active, integral participants in our school activities, that the school is safe, that the school offers a high quality education, that our facilities are excellent, and that the students have access to a variety of resources to help them learn.

**Goal 5 – School Safety and Environment**

*Schools and communities must provide an environment that is drug free and protects the health, safety, and civil rights of everyone in the school.*

School Environment Safety: The most recent full-year school level data on reported incidents is available at the Florida School Indicators Report website at <http://www.fldoe.org/eias/eiaspubs/fsir.asp>

**School Evaluation for Unsafe School Choice Option**

*No Florida public school was identified as persistently dangerous for the 2012/2013 school year*

**Goal 6 – Teachers and Staff**

*Schools, districts, and the state ensure that teachers and staff are professionally qualified.*
