

OTIS A. MASON ELEMENTARY

2nd Annual Toy Drive

December 3rd - 10th

Please support our sister school, Otis A. Mason Elementary, by donating any unwrapped toy. Last year, the response from our PV community was overwhelming and Otis Mason was able to support 18 families during the holidays. We are hoping to collect enough toys to meet or exceed that need this year.

Donation bins will be located at the entrance to both front offices. Thank you for helping make the holiday season memorable for others in need.
