

Sharks & Minnows

Softball Camp

DATES: June 5th-8th

GRADES: 1st – 8th

The Ponte Vedra High School Sharks 2017 Softball Team are striving to build a program rich in tradition and to set high standards for the years to come. This starts with our youngest athletes from first grade through eighth grade. These young athletes aka Minnows will learn the basics of softball and hone their skills in various positions. Good sportsmanship will be reinforced and hopefully a love of the game instilled. With dedication, discipline, and drive, the Shark softball players are leading the way for the athletes of the future, the Minnows.

The Sharks Coaching Staff has begun the development of a summer camp program that will allow young athletes the opportunity to train under the coaching staff for which they may play in years to come. The coaches will be assisted by current and former players to give the kids a one-on-one experience that they will not forget. Athletes at Ponte Vedra will compete, with class, pride, and honor; there is no better time to start than at the youth level. Our reputation is who we are. Our summer camp is where future Shark Champions are born.

Be a part of the Shark Tradition!
