

PROGRAM INFORMATION:

Each year, our program grows and changes to meet our students needs and interests.

The Extended Day Staff are dedicated and experienced Group Leaders along with certified teachers from our school's instructional staff.

Group Leaders greet your children after school, provide afternoon snack and discuss the school day. Students then rotate with their Group Leaders among such engaging activities as:

- Exercise and sports;
- Computer time;
- Homework zone;
- Arts and crafts; and
- Fee-based enrichment camps.

Hosting the after school care within our own facility offers the advantage of continuous use of our learning environments, including the Media Center, computer labs, and playgrounds, where children enjoy playing basketball, dodgeball, kickball and more.

EXTENDED DAY PROGRAM

2018-2019

PVPV/Rawlings Extended Day Program offers a quality before/after school program where students extend their learning and socialization beyond the scheduled school day. Students participate in a variety of supervised and enriching activities. Most importantly, they have fun with their friends!
