

VIDEO CLUB

Tryout Videos!!!

- Great job on your tryout videos!
- Lots of animation, graphics and creativity
- We will be showing these on the morning news!
- Things to work on… volume, location (set), follow directions, logos (copyright)

Video Club goals:

- Learn to work in teams
- Inspire creativity
- Learn storytelling through videos
- Explore filming, editing and sharing videos
- Enter the St Johns County Film Festival

(Jim Harbin Media Festival)

Video Club expectations:

- Model good behavior at meetings
- Participate in 2 PBIS videos (fall & spring)
- Attend monthly meetings – if you have 2 unexcused absences, you will be removed from the club. (check attendance)

What is Jim Harbin

The Jim Harbin Student Media Festival is a school, county, and statewide movie making competition for students in all grades.

Three winners from each categories will be selected for county competition. (We will discuss categories in a few minutes)

County winners will advance to the regional level competition.

Reginal winners will advance to the state level competition.

***** Congratulations to our District Winners!**
***** *The Chase* state WINNERS!!!**

Jim Harbin Rules

Each school may submit their **top three video entries** **for each category**.

All categories must tell a story. Scripts and/or storyboards must accompany each entry.

We will learn about scripts and storyboard at our December meeting.

Jim Harbin Rules

All entries must be **student written and student produced** in their entirety!

You **MAY NOT** get help from any ADULT or siblings!

Jim Harbin Rules

All work **should be original**.

If video clips, music, photos are used **that are not original** works of the students submitting the video, credit should be given via a Credits page.

Written copyright permission must be submitted with the video.

Jim Harbin Rules

Copyright permission **must be included** with the entry form for use of images, video, sound effects and music (original or non-original). Entries with identifiable copyright violations will be disqualified. Fair Use Guidelines do not apply to Jim Harbin entries.

- You **DO NOT** have permission to use LEGO products in entries. You must ask for permission and attach written permission if you are granted permission to use LEGO products.
