Coach Josh Noon

Meet the Coach

Meet Coach Josh Noon. He has been with Soccer Shots for two years now. He has 8 years of coaching experience. Coach Josh has played soccer since he was 4 years old and started playing competitively at the age of 10. What Coach Josh loves most about coaching Soccer Shots is having a positive impact on his players lives. Josh states that "So many children are dropping out of organized youth sports because of bad coaching practices. I want my players to have fun, learn skills and make new friends. Sports where a positive experience in my life and I want the same for the next generation."
