Letter From the Principal

Sea Turtle Families,

It has been an incredible first week of school capped off by an amazing Friday as we welcomed our Kindergarten students to school this morning. It was a great feeling knowing that we had our giant family of sea turtles all together again!

I want to thank our students who have come to school clearly focused on living up to our school motto of hard work, kindness, and general awesomeness. They are simply locked in and ready to rock and roll and continue the tradition of excellence here at PVPV Rawlings.

I want to thank our PTO and business partners for their incredible support this week. The PTO provided the larger parent-pickup car tags that have already made a huge impact on the speed of dismissal. In addition, they have funded our Work Hard, Be Kind, and Be Awesome Positive Behavior System that we will be introducing to our students next week. Students who demonstrate hard work, kindness, or one of our pillars of character will have opportunities to earn brag tags for their awesomeness. More information will be coming on this great program!

Speaking of amazing business partners, don't forget our "Shellabration" sponsored by Beaches Orthodontics on Friday, August 27th from 6-8pm in the Rawlings cafeteria. Please RSVP to membership.pvpvrawlingspto@gmail.com if you plan on joining us for the movie! Also, if you haven't already, please join our PTO by visiting their website! <https://www.pvpvrawlingspto.com/>

Our teachers and staff here at PVPV Rawlings are simply the best. We began our preplanning week with a focus on building relationships and joy in our classrooms and school, and I'm so grateful for a school filled with so many incredible people who are eager to help our students succeed.

I want to give a shout out to Jill Hillier and Rebecca Whaley, our amazing Assistant Principals, who have done an incredible job preparing for the school year and implementing changes to improve our school. Their commitment to excellence is AWESOME!

Finally, thank you to all our families who trust in us to provide the best educational experience for their children. Your continued support and commitment to our school is truly AWESOME!

Have a great weekend,

Dr. Gates

ST. JOHNS COUNTY **SHERIFF'S OFFICE**

ROBERT A. HARDWICK, SHERIFF

4015 LEWIS SPEEDWAY, ST. AUGUSTINE, FL 32084 | 904.824.8304 | www.SJSO.org

Dear St. Johns County Parents and Teachers,

Welcome back to school! I am thrilled to share that for the first time ever, we will have a Deputy Sheriff in each St. Johns County public school within our jurisdiction. The St. Augustine Police Department has also partnered with the School District and has placed police officers at RB Hunt Elementary, Ketterlinus Elementary, and St. Joseph Academy. The partnership between our agency, the school district, and most importantly the families and students is vital to our success as a county.

As your Sheriff, I challenge all parents to continue being an active participant in your child's life. Their futures depend on it. As a youth coach in St. Johns County for nearly 30 years, I've seen first-hand the importance of strong mentorship and involvement with our youth.

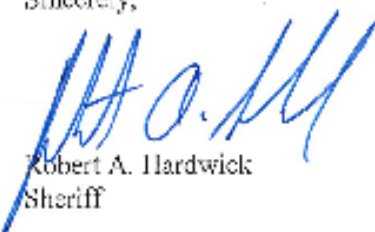

I also challenge both parents and students to get to know your respective school's Youth Resource Deputy. The St. Johns County Sheriff's Office Youth Resource Deputies are there for each of you. If you hear or see something you think isn't right or you have a question about, reach out to them. It is paramount that our students know that the deputy in a uniform is a friend and there to be a resource to them.

In addition, our Youth Resource Deputies facilitate several in school programs, to include Safety Programs, Mentoring, Anti-Bullying Initiatives, Drug Prevention, and Intervention Programs. Our deputies provide guidance for the safe use of the internet and computers. Technology is a great tool to assist in education but it can also bring its own challenges for parents and children. It is incredibly important for parents to remain vigilant and aware of what their children's activities online and otherwise are. Together, we can restrict those who attempt to exploit our children.

We will continue to encourage you and your child to utilize the FortifyFL app when suspicious information is learned by our schools and students. These tips are relayed to law enforcement and school officials for immediate investigation.

Lastly, I'd like to thank you for your continued support of law enforcement in St. Johns County. It is truly our honor to be of service to you. For updates and current events at the St. Johns County Sheriff's Office, please follow us on Facebook, Instagram, and Twitter. As always, please do not hesitate to contact my office if we can ever be of assistance.

Sincerely,

Robert A. Hardwick

PVPV/Rawlings PTO

Dear PVPV/Rawlings Families,

It's Back to School time for all of our Sea Turtles! I hope all of you had a great summer filled with relaxing, sports, traveling, and enjoying time with friends and family. On behalf of the PVPV/Rawlings PTO, we are thrilled to meet all of our new families and welcome back all of our returning families.

My name is Jennifer Cleek and I will be serving as your PTO President for the 2021-2022 school year. Our PTO family has been hard at work all Summer to ensure we provide the enthusiasm and support to our teachers, staff, and children for the upcoming year.

With your help last year, the PTO was able to raise are enough money to go towards all of our students' educational curriculum and licensing. This includes online programs such as: IXL Reading and Math Accelerated Reader iReady (including the Reading and Math Teacher Toolbox) Achieve 3000 Grade Level supplies. The students will also see improvements in our computer labs with NEW COMPUTERS!

PTO membership helps to cover the costs of school-wide activities and programs, community events, and staff appreciation initiatives throughout the year. While volunteers are always welcome, joining the PTO is not necessarily a commitment to volunteer. Your membership shows support for our school and is greatly appreciated by the children and staff. Please visit www.pvpvrawlingspto.com to learn more about our 2021 – 2022 membership plans.

Please follow us on Facebook and Instagram @pvpvrawlingspto and visit our newly designed website www.pvpvrawlingspto.com for updates. We will be making every effort to communicate via our digital platforms throughout the year!

Sincerely,

Jennifer Cleek
PVPV/Rawlings PTO President

School Nurse News

Welcome back Sea Turtle families!

We hope that you all had a wonderful summer making fabulous memories with family and friends! We know that we are going into another school year that will most likely be filled with a lot of questions. With that being said, the SJCS D has created an information web page for our families, to navigate through, for the most up-to-date information regarding COVID. The website will include the COVID Dashboard, Quarantine Help Guides, directions to access online textbooks and Schoology, and all Healthy & Safety resources. We are so thrilled to have a platform that is organized and user friendly for our families this school year! The COVID information web page for SJCS D families is now live at:

<https://www.stjohns.k12.fl.us/covid-19/>

We would also like to remind you to see the PVPV/Rawlings website if you need medication forms for your children. We normally hand them out at the end of the year, but as we have learned, normal is different now. If you have any questions about what you need regarding your child's medication, please call your students respective clinics directly:

WANT TO RENT THE ROCK????

PVPV/Rawlings Rocks!

"Rent the Rock"

The Spirit Rock is a great way to send a message for all to see! For a reservation of \$35/day, congratulate your favorite student, wish them happy birthday (or "half" birthday), show appreciation to your favorite teacher or staff member, or just let everyone know how much you love PVPV/Rawlings Elementary School!

RESERVATIONS

Reservations are made online via the Sign Up Genius link, located on the school website. All reservation dates are listed; slots will not be modified. Reservations are processed on a first-come, first-serve basis. Keep in mind that the earlier you make your reservation, the more likely you are to get your desired date. There are only 180 school days, and we have over 1000 students, so please be understanding if you don't get your desired date. Any family may rent the rock up to (3) days per semester. These days may be in a row or separate days throughout the semester. The renting of the rock runs on the honor system; we hope everyone respects the guidelines set by the school administration.

HOW TO PAINT THE ROCK

All artwork painted on the rock must be in good taste and may not contain any foul or derogatory language, religious, political, or offensive statement/symbols. The messages or designs must be positive! *School administration has the right to paint over and revoke further painting privileges for individuals who do not abide by these rules.*

Families need to provide their own paint and supplies. Spray paint may be used to cover the previous message. Use only "standard" latex or water-based paint on the rock. Painting of school property, besides the rock, is prohibited. This includes, but is not limited to, sidewalks, asphalt, lamp posts, or buildings. Any damage to the surrounding area or building will result in financial responsibility for repairs to the responsible party.

There are no trash cans or water supply available. Please bring appropriate bags to clean up afterwards. Paint cans are not allowed to be put in dumpsters on school property.

WHEN CAN I PAINT THE ROCK?

Painting of the rock may occur anytime between 4 p.m. and 7 p.m. on the day before your rental. For instance, if you are renting the rock on Tuesday, August 24, you may paint the rock anytime between 4 p.m. and 7 p.m. on Monday, August 23. If you are renting the rock on Monday, you will need to paint the rock the Friday before between 4 p.m. and 7 p.m.

WHAT IF IT'S RAINING WHEN IT'S TIME FOR ME TO PAINT?

In the event of inclement weather, please plan on painting with an umbrella in hand. For severe weather that prohibits afternoon painting, you may paint from 7 a.m. to 8 a.m. on the day you rent the rock. The PTO will not give refunds on rock reservations. If you are unable to paint on the rock on your scheduled date, please try to trade with another family. **PLEASE MARK YOUR CALENDARS!!!**

SHOW OFF YOUR ARTWORK!

Make sure to email a picture of your painted rock art to spiritrock.pvpvrawlingspto@gmail.com. Your photo will be added to our "Rock Collection" gallery! By emailing a photo that includes children, parents must understand that they are giving their permission for the photo to be posted on the PTO website and/or on social media sites. We look forward to seeing all the creative decorating!

For any questions, please email Suzanna Combs spiritrock.pvpvrawlingspto@gmail.com.

Be Proud of Your Lawn...

Precision Turf is Jacksonville's total turnkey service provider for all of your commercial and residential landscaping and lawn maintenance needs. We offer an innovative approach to quality landscaping and maintenance. We are one of the only companies in the industry to offer landscape, maintenance, irrigation, fertilization, all under one roof. This allows us to provide a specialized term approach to servicing your property, giving you the best possible results.

Landscaping – With over twenty years in the landscape and lawn maintenance industries, Precision Turf is simply the best choice to incorporate your ideas into the landscape design of your property. Since your property is the first thing your guests or clients see, it's vital that you take advantage of all of the available elements to increase curb appeal. We begin by professionally creating a plan for your property. Incorporated into this plan are all of the elements of your project including landscape materials, irrigation needs, plantings, and other features. With our dedication and attention to detail, we can ensure that your property is beautifully landscaped according to your approved design and budget.

Maintenance – In our Florida climate, it's more important than ever to maintain your property. Not maintaining your property lessens your curb appeal and the health of your lawn. We can handle all of the demands of both residential and commercial properties. Our lawn maintenance programs include mowing, edging, blowing, weed-eating, trimming and more. Additionally, we can provide insight into the acquisition of new sod or turf when needed, as well as landscape updates, sod replacement, fertilization, and irrigation.

Irrigation – Florida is hot and humid, so proper watering and irrigation of your property is vital. Not only is it important that your property get enough water, it's equally as important not to over water. Balance is the key. Precision Turf will find the perfect balance for your property's needs while conserving one of our most valuable resources. We provide an excellent warranty and continued service after the project is completed and we also offer service contracts that monitor water times, weather conditions and the overall condition of your irrigation system.

Fertilization – Precision Turf has the perfect diet for your property. Fertilization and lawn pest control – keeps your property lush and gives you a yard to be proud of. Control of weeds, insects, and fungus is also included with service. Without the right diet, your property is more prone to disease and sickness. Precision Turf uses both macro nutrients and micronutrients in the proper amounts and at the correct times of the year to help maintain the health of your lawn. Our experienced technicians can assess exactly how to properly feed your flowers, plants, shrubs and turf to ensure that your property is healthy throughout the year.

...Creating Perfect Lawns Since 1989.

Over 40 Years of Precision Turf History. A Reputation Built on Quality.
