Letter From the Principal

Sea Turtle Families,

If you ever want an appreciation for how fast time moves. . . write a monthly newsletter. It feels like just yesterday we were talking Punxsutawney Phil and the other weather prognosticating groundhogs and now we are in March discussing a stray Chinese desert dog, our Spring Carnival, and other March happenings. March is a great month for our school and our community. Of course, first up in March we have our Finding Gobi presentation tomorrow during school. Don't forget to bring in your order forms if you'd like a copy of Finding Gobi with Gobi's pawprint inside. You can find another copy in the wave if you need it.

The fun continues straight into this weekend when the Spring Carnival sponsored by Lazzara opens this Saturday at noon. The carnival is like a chocolate sundae of fun filled with inflatables, games, baked goods, and more! The cherry on top of this delicious fun sundae is the chance to pie several notable PVPV Rawlings dignitaries in the face. Did Mr. Woolston give you too much homework? Here's your chance to pie him in the face! Ms. Link or Mrs. Gryzbk took away your recess that time you didn't complete your classwork? Payback time! Have you always wanted to see Coach Sparks hair covered in Cool Whip? This is your chance! Not a fan of Dr. Gates' Australian accent from the last video and want to teach him a thing or two. . . pie time! We look forward to seeing you all there!

Next week of course we celebrate with the community as the Players Championship returns to TPC Sawgrass. We know how many of our families and community members work so diligently to put together this amazing event!

Then of course, we have our annual Spring Break. I hope you all can spend time with family and friends, maybe cook up some corned beef and cabbage for St. Patrick's Day, and get some well needed rest before we finish of the final 9 weeks of the school year. If they go by as fast as the first 27, it will be here before we know it. . . only two more Waves until the end of the year!

Thank you everyone!

Dr. Gates

Based on the novel by Marjorie Kinnan Rawlings, this drama focuses on the family of Civil War veteran Penny Baxter (Gregory Peck), who lives and works on a farm in Florida with his wife, Orry (Jane Wyman), and their son, Jody (Claude Jarman Jr.). The only surviving child of the family, Jody longs for companionship and unexpectedly finds it in the form of an orphaned fawn. While Penny is supportive of his son's four-legged friend, Orry is not, leading to heartbreaking conflict.

WANT TO RENT THE ROCK????

PVPV/Rawlings Rocks!

"Rent the Rock"

The Spirit Rock is a great way to send a message for all to see! For a reservation of \$35/day, congratulate your favorite student, wish them happy birthday (or "half" birthday), show appreciation to your favorite teacher or staff member, or just let everyone know how much you love PVPV/Rawlings Elementary School!

RESERVATIONS

Reservations are made online via the Sign Up Genius link, located on the school website. All reservation dates are listed; slots will not be modified. Reservations are processed on a first-come, first-serve basis. Keep in mind that the earlier you make your reservation, the more likely you are to get your desired date. There are only 180 school days, and we have over 1000 students, so please be understanding if you don't get your desired date. Any family may rent the rock up to (3) days per semester. These days may be in a row or separate days throughout the semester. The renting of the rock runs on the honor system; we hope everyone respects the guidelines set by the school administration.

HOW TO PAINT THE ROCK

All artwork painted on the rock must be in good taste and may not contain any foul or derogatory language, religious, political, or offensive statement/symbols. The messages or designs must be positive! *School administration has the right to paint over and revoke further painting privileges for individuals who do not abide by these rules.*

Families need to provide their own paint and supplies. Spray paint may be used to cover the previous message. Use only "standard" latex or water-based paint on the rock. Painting of school property, besides the rock, is prohibited. This includes, but is not limited to, sidewalks, asphalt, lamp posts, or buildings. Any damage to the surrounding area or building will result in financial responsibility for repairs to the responsible party.

There are no trash cans or water supply available. Please bring appropriate bags to clean up afterwards. Paint cans are not allowed to be put in dumpsters on school property.

WHEN CAN I PAINT THE ROCK?

Painting of the rock may occur anytime between 4 p.m. and 7 p.m. on the day before your rental. For instance, if you are renting the rock on Tuesday, August 24, you may paint the rock anytime between 4 p.m. and 7 p.m. on Monday, August 23. If you are renting the rock on Monday, you will need to paint the rock the Friday before between 4 p.m. and 7 p.m.

WHAT IF IT'S RAINING WHEN IT'S TIME FOR ME TO PAINT?

In the event of inclement weather, please plan on painting with an umbrella in hand. For severe weather that prohibits afternoon painting, you may paint from 7 a.m. to 8 a.m. on the day you rent the rock. The PTO will not give refunds on rock reservations. If you are unable to paint on the rock on your scheduled date, please try to trade with another family. **PLEASE MARK YOUR CALENDARS!!!**

SHOW OFF YOUR ARTWORK!

Make sure to email a picture of your painted rock art to spiritrock.pvpvrawlingspto@gmail.com. Your photo will be added to our "Rock Collection" gallery! By emailing a photo that includes children, parents must understand that they are giving their permission for the photo to be posted on the PTO website and/or on social media sites. We look forward to seeing all the creative decorating!

For any questions, please email Suzanna Combs spiritrock.pvpvrawlingspto@gmail.com.

Meet Fluffy Bite McFinger!

Congrats to Mr. Zerrahn's class for winning the Edu Gators contest this year!

Be Proud of Your Lawn...

Precision Turf is Jacksonville's total turnkey service provider for all of your commercial and residential landscaping and lawn maintenance needs. We offer an innovative approach to quality landscaping and maintenance. We are one of the only companies in the industry to offer landscape, maintenance, irrigation, fertilization, all under one roof. This allows us to provide a specialized team approach to servicing your property, giving you the best possible results.

Landscaping — With over twenty years in the landscape and lawn maintenance industries, Precision Turf is simply the best choice to incorporate your ideas into the landscape design of your property. Since your property is the first thing your guests or clients see, it's vital that you take advantage of all of the available elements to increase curb appeal. We begin by professionally creating a plan for your property. Incorporated into this plan are all of the elements of your project including hardscape materials, irrigation needs, plantings, and other features. With our dedication and attention to detail, we can ensure that your property is beautifully landscaped according to your approved design and budget.

Maintenance — In our Florida climate, it's more important than ever to maintain your property. Not maintaining your property lessens your curb appeal and the health of your lawn. We can handle all of the demands of both residential and commercial properties. Our lawn maintenance programs include mowing, edging, blowing, weed-eating, trimming and more. Additionally, we can provide insight into the acquisition of new sod or turf when needed, as well as landscape updates, sod replacement, fertilization, and irrigation.

Irrigation — Florida is hot and humid, so proper watering and irrigation of your property is vital. Not only is it important that your property get enough water, it's equally as important not to over water. Balance is the key. Precision Turf will find the perfect balance for your property's needs while conserving one of our most valuable resources. We provide an excellent warranty and continued service after the project is completed and we also offer service contracts that monitor water times, weather conditions and the overall condition of your irrigation system.

Fertilization — Precision Turf has the perfect diet for your property. Fertilization and lawn pest control — keeps your property lush and gives you a yard to be proud of! Control of weeds, insects, and fungus is also included with service. Without the right diet, your property is more prone to disease and sickness. Precision Turf uses both macro nutrients and micronutrients in the proper amounts and at the correct times of the year to help maintain the health of your lawn. Our experienced technicians can assess exactly how to properly feed your flowers, plants, shrubs and turf to ensure that your property is healthy throughout the year.
