Letter From the Principal

Once again, we have reached the Hillary step of the school year. Last year I shared that I've always had very unrealistic aspirations to climb Mt. Everest, and the Hillary step is the last big obstacle before reaching the summit of the world's tallest peak. The Hillary Step, besides signifying the end of the climb, is also the most difficult part of the climb and requires the most physical exertion combined with the least amount of oxygen available in the atmosphere. It is the last big push until the glorious feeling of reaching the summit! May is our last big push until the glorious feeling of reaching the summer! For our students, this means coming in ready to do their very best on their end-of-year testing, whether that is the iReady test, or the FSA test. Parents, as the lead sherpa for your child, thank you so much for getting them prepared for their exams by ensuring they get plenty of rest, have a great breakfast, and keep a positive attitude. These exams are a great opportunity for our students to shine! They are ready to do an Awesome job!

Perhaps no one understands the reality of our Everest-climb-of-a-school-year-metaphor more than our teachers. And wouldn't you know it, Teacher Appreciation Week, sponsored by Compass Realty, is next week! In lieu of oxygen tanks, crampons, and ice axes to help our teachers reach the summit, we ask that our students shower our teachers with appreciation next week. Here is the schedule for the week:

Magnificent Monday-Bring your teachers a plant or flower

Terrific Tuesday-Bring your teachers their favorite treats

Wonderful Wednesday-Bring your teachers their favorite classroom supplies

Thankful Thursday-Bring your teachers a thank you note, gift card, or small gift

Fantastic Friday- Create a fantastic picture or poster for your teachers.

In addition, thanks to your generosity, PTO and Compass Realty will be showering our teachers and staff with gifts and treats throughout the week! They will be providing a delicious Panera breakfast, gift baskets, baked goods, and one of the best food trucks around for our staff to enjoy next week thanks to donations from our families and community members.

For those of us with 5th graders, we have just over one month left until our little babies are going to be, gasp, middle-schoolers! Where did the time go? We will have plenty more information coming regarding our 5th-grade Talent show (Tuesday, May 24th) and our 5th-Grade Graduation (Wednesday, June 1st) sponsored by New York Life Insurance Company.

Have a wonderful weekend!

WANT TO RENT THE ROCK????

PVPV/Rawlings Rocks!

"Rent the Rock"

The Spirit Rock is a great way to send a message for all to see! For a reservation of \$35/day, congratulate your favorite student, wish them happy birthday (or "half" birthday), show appreciation to your favorite teacher or staff member, or just let everyone know how much you love PVPV/Rawlings Elementary School!

RESERVATIONS

Reservations are made online via the Sign Up Genius link, located on the school website. All reservation dates are listed; slots will not be modified. Reservations are processed on a first-come, first-serve basis. Keep in mind that the earlier you make your reservation, the more likely you are to get your desired date. There are only 180 school days, and we have over 1000 students, so please be understanding if you don't get your desired date. Any family may rent the rock up to (3) days per semester. These days may be in a row or separate days throughout the semester. The renting of the rock runs on the honor system; we hope everyone respects the guidelines set by the school administration.

HOW TO PAINT THE ROCK

All artwork painted on the rock must be in good taste and may not contain any foul or derogatory language, religious, political, or offensive statement/symbols. The messages or designs must be positive! *School administration has the right to paint over and revoke further painting privileges for individuals who do not abide by these rules.*

Families need to provide their own paint and supplies. Spray paint may be used to cover the previous message. Use only "standard" latex or water-based paint on the rock. Painting of school property, besides the rock, is prohibited. This includes, but is not limited to, sidewalks, asphalt, lamp posts, or buildings. Any damage to the surrounding area or building will result in financial responsibility for repairs to the responsible party.

There are no trash cans or water supply available. Please bring appropriate bags to clean up afterwards. Paint cans are not allowed to be put in dumpsters on school property.

WHEN CAN I PAINT THE ROCK?

Painting of the rock may occur anytime between 4 p.m. and 7 p.m. on the day before your rental. For instance, if you are renting the rock on Tuesday, August 24, you may paint the rock anytime between 4 p.m. and 7 p.m. on Monday, August 23. If you are renting the rock on Monday, you will need to paint the rock the Friday before between 4 p.m. and 7 p.m.

WHAT IF IT'S RAINING WHEN IT'S TIME FOR ME TO PAINT?

In the event of inclement weather, please plan on painting with an umbrella in hand. For severe weather that prohibits afternoon painting, you may paint from 7 a.m. to 8 a.m. on the day you rent the rock. The PTO will not give refunds on rock reservations. If you are unable to paint on the rock on your scheduled date, please try to trade with another family. **PLEASE MARK YOUR CALENDARS!!!**

SHOW OFF YOUR ARTWORK!

Make sure to email a picture of your painted rock art to spiritrock.pvpvrawlingspto@gmail.com. Your photo will be added to our "Rock Collection" gallery! By emailing a photo that includes children, parents must understand that they are giving their permission for the photo to be posted on the PTO website and/or on social media sites. We look forward to seeing all the creative decorating!

For any questions, please email Suzanna Combs spiritrock.pvpvrawlingspto@gmail.com.

SEA TURTLES!**

More Early Act News!

One of Early Act's goals this year, for 3rd-5th grade classrooms, was to purchase playground kick balls, ball pumps and bases for the front playground... and they did just that! Way to go!

A.C.E. NEWS !!!

Amazing how quickly the year has flown by. We are already busy getting ready for summer and next school!

ACE PAYMENTS:

You should have made your last ACE Payment #10, which was due by April 10th by now. If you have not, please do so immediately. You will not be able to register your child for summer camp or ACE next school year until all outstanding debts have been settled. Most everyone is paid up there are a few who are not. If you are not completely paid up you should have received an email from me or a note sent home in your child's backpack. Please be sure to check. If you are not sure, shoot me an email and I will get back to you.

SEATURTLE SUMMER SPORTS AND DAY CAMP:

We are holding a summer camp here at Rawlings this year. The camp is being staffed by our own Rawlings employees. It is a 4 week camp from 8:00 am to 3:00 pm (sorry there is no aftercare as the building closes at 3:30 in the summer.) Please go to the school website for further information and registration. The number of students will be limited each week so get your registration in now. If you have questions, please send me an email and we will get back to you: lynda.wing@stjohns.k12.fl.us. If you have any outstanding balances you will not be able to sign your child up for camp until they are paid in full.

ACE REGISTRATION – 2022-2023 SCHOOL YEAR:

ACE registration for next school year will open early in May. Once we reach our full capacity ratios we will start a waiting list. All information will be listed on the school website once registration opens; we will let you know via School Messenger when that happens. Again, in the meantime if you have any questions, please email me. Please make note, our rates have changed. Basically they have been raised \$25 across the board.

Thank you for sharing your children with us and have a safe and happy summer!

Be Proud of Your Lawn...

Precision Turf is Jacksonville's total turnkey service provider for all of your commercial and residential landscaping and lawn maintenance needs. We offer an innovative approach to quality landscaping and maintenance. We are one of the only companies in the industry to offer landscape, maintenance, irrigation, fertilization, all under one roof. This allows us to provide a specialized team approach to servicing your property, giving you the best possible results.

Landscaping – With over twenty years in the landscape and lawn maintenance industries, Precision Turf is simply the best choice to incorporate your ideas into the landscape design of your property. Since your property is the first thing your guests or clients see, it's vital that you take advantage of all of the available elements to increase curb appeal. We begin by professionally creating a plan for your property. Incorporated into this plan are all of the elements of your project including landscape materials, irrigation needs, plantings, and other features. With our dedication and attention to detail, we can ensure that your property is beautifully landscaped according to your approved design and budget.

Maintenance – In our Florida climate, it's more important than ever to maintain your property. Not maintaining your property lessens your curb appeal and the health of your lawn. We can handle all of the demands of both residential and commercial properties. Our lawn maintenance programs include mowing, edging, blowing, weed-eating, trimming and more. Additionally, we can provide insight into the acquisition of new sod or turf when needed, as well as landscape updates, sod replacement, fertilization, and irrigation.

Irrigation – Florida is hot and humid, so proper watering and irrigation of your property is vital. Not only is it important that your property get enough water, it's equally as important not to over water. Balance is the key. Precision Turf will find the perfect balance for your property's needs while conserving one of our most valuable resources. We provide an excellent warranty and continued service after the project is completed and we also offer service contracts that monitor water times, weather conditions and the overall condition of your irrigation system.

Fertilization – Precision Turf has the perfect diet for your property. Fertilization and lawn pest control – keeps your property lush and gives you a yard to be proud of. Control of weeds, insects, and fungus is also included with service. Without the right diet, your property is more prone to disease and sickness. Precision Turf uses both macro nutrients and micronutrients in the proper amounts and at the correct times of the year to help maintain the health of your lawn. Our experienced technicians can assess exactly how to properly feed your flowers, plants, shrubs and turf to ensure that your property is healthy throughout the year.

...Creating Perfect Lawns Since 1989.

Over 40 Years of Precision Turf History. A Reputation Built on Quality.

CAFETERIA NEWS

Parents,

As we get closer to the end of the school year, the cafeteria will be limiting students going into debt. The students know they must have a positive lunch balance to buy snacks (Papa John's included). If they have a negative balance, they will only be allowed to purchase a Hot Lunch.

If you feel that your student is spending too much money during the week, please call or email me to place restrictions on their accounts. There will not be snacks the last 2 weeks of school.

Thank you,
