January 2024

Welcome back and Happy New Year! I hope you all had a wonderful holiday season full of fun, relaxation, love, and quality time with family.

The new year is a time to embrace new beginnings, opportunities, and challenges. It's a time to reset and refocus on what is important. For me, the new year is filled with excitement as I take on my new role as the principal of our school. At PVPV Rawlings, we will focus on continuing to strive to meet and exceed high academic standards while also making sure school is engaging and fun. I look forward to all that is to come in the second semester of the 23-24 school year!

Speaking of new beginnings, I would like to welcome two new staff members to our school. Please give a warm sea turtle welcome to Kyra Livingston, our new music teacher at Rawlings (grades 3-5), and AnneMarie Young, our new Instructional Literacy Coach (K-5). Kyra is a talented musician who enjoys working with kids, jamming with her band, playing the guitar, and singing. She brings a positive vibe and passion for music to our school, and our students will enjoy learning with her. AnneMarie comes to us from the district office where she served as an ESE Achievement Coach. AnneMarie has an extensive teaching and coaching background and brings a wealth of knowledge to our school. I cannot express how fortunate we are to have her on our team. She will have many responsibilities, but her primary role is to support teachers and student learning. These two educators will be excellent additions to our school family!

I also want to congratulate Gail Catania on her new role within our school. She is our new ACE Coordinator, overseeing our before and after-school care program. Gail has been on staff working in our ACE program so this will be a smooth transition for our families. Gail will be amazing in this position!

We have several new students and families starting school with us this month. Welcome to PVPV Rawlings! Our school is a special place, and you will love it here! If there is anything that we can do to help, please reach out.

Lastly, I want to express our sincere gratitude to the many individuals that helped to make the holidays extra special for so many children. I want to give a shout-out to the best PTO, especially Beverly Reilly and Sara Ryan, for all their hard work, effort, and time spent shopping and organizing gifts for some of our sea turtles. We had many families and community members provide monetary support for this initiative, and we could not have given so many wonderful gifts without their generosity. Our school counselors, Kim Hollis and Heather Harrington, played a key role in this effort by identifying students in need, contacting families, and handing out the presents before Christmas. I also want to thank our front office staff members for their assistance in distributing the gifts. The teamwork and collaboration of all involved is to be commended. Seeing the smiles and tears and hearing the messages of gratitude from the parents was heartwarming. In addition, our students and families generously sent in many toys that were donated to the Duval County Guardian Ad Litem program. Your kindness and willingness to give has made a difference in the lives of kids!

Let's get ready to rock the second half of the school year! Work hard, be kind, and be awesome sea turtles!

All the best. Mrs. Jill Hillier

SHERIFF'S OFFICE

ROBERT A. HARDWICK, SHERIFF

4015 LEWIS SPEEDWAY, ST. AUGUSTINE, FL 32084 | 904.824.8304 | www.SJSO.org

Dear St. Johns County Parents,

Welcome back to school! I am thrilled to share that there will continue to be a Deputy Sheriff in each St. Johns County public school within our jurisdiction. The St. Augustine Police Department will also have officers placed at RB Hunt Elementary, Ketterlinus Elementary, Gaines Alternative School, and St. Joseph Academy. The partnership between our agency, the school district, and most importantly the families and students is vital to our success as a county.

As your Sheriff, I challenge all parents to continue being an active participant in your child's life. Their future depends on it. As a youth coach in St. Johns County for nearly 30 years, I've seen first-hand the importance of strong mentorship and involvement with our youth.

For me and this agency, there is nothing more important to us than the safety of our students. Our Youth Resources Deputies under the leadership of Captain Peggy Tennyson have spent the summer training so they are prepared for any situation that may occur during the school year. I cannot stress enough that if you see something, please say something. If it is an emergency, please dial 911 or for a non-emergency, call 904-824-8304. We will always put the safety and well-being of your children first.

I also challenge both parents and students to get to know your respective school's Youth Resource Deputy. The St. Johns County Sheriff's Office Youth Resource Deputies are there for each of you. If you hear or see something you think isn't right or you have a question about, reach out to them. It is paramount that our students know that the deputy in a uniform is a friend and there to be a resource to them.

I would also encourage you and your child to utilize the FortifyFL app to report suspicious information that is learned by our schools and students. These tips are relayed to law enforcement and school officials for immediate investigation. It is incredibly important for parents to remain vigilant and aware of their children's activities at school and elsewhere.

Finally, I'd like to thank you for your continued support of law enforcement in St. Johns County. It is truly our honor to be of service to you. For updates and current events on the St. Johns County Sheriff's Office, please follow us on Facebook, Instagram, and Twitter. As always, please do not hesitate to contact my office if we can ever be of assistance.

Sincerely

Robert A. Hardwick
