

We hope everyone had a wonderful time at our Spring Carnival presented by Lazarra Orthodontics. It was a huge turnout! Our PTO put in a great deal of time and effort to make this event special for our students and families. Thank you to all the volunteers that helped with the setup, games, drawings, activities, bake sale, and clean up. Our 5<sup>th</sup> graders made over \$800 at the bake sale, which was a huge success. The funds will be used for 5<sup>th</sup> grade end-of-year events and a gift to the school. Congratulations to the winners of the drawings and teacher/staff experiences! Thank you for coming out to support our school!

There is much to celebrate this month. As we gather with loved ones or mark these occasions in our own unique ways, let's remember the essence of these holidays: unity, appreciation, and the power of community. We wish everyone happy holidays this month! Please note that there will be no school on March 29<sup>th</sup> for Good Friday.

Speaking of celebrations, on Friday, March 8<sup>th</sup> we will honor Dr. Gates during "We Appreciate Dr. Gates Day". It is not only a day to show our appreciation for him, but it is also his Birthday. We want Dr. Gates to know just how much our school cares for him and how thankful we are for what he has done for our school and community. Please read on for more information about plans for this special day.

We all look forward to Spring Break from March 11<sup>th</sup>-18<sup>th</sup> (18<sup>th</sup> is a Teacher Planning Day). Enjoy this time off to adjust to the time change (spring forward on March 10<sup>th</sup>), do some spring cleaning, head to the beach, read a good book, or watch The Players Championship. We will see all the students back at school on Tuesday, March 19<sup>th</sup>.

We want to wish our Battle of the Books team as well as our 5<sup>th</sup> grade Character Cup team the best of luck as they compete against other elementary schools this month. I know these students will be successful, and I am proud to have them represent our school.

Finally, our School Advisory Council has put out a survey to gather input and feedback from parents and quardians. Please take 5-8 minutes to complete this anonymous survey that will be used to confirm all that is going well at our school and inform us of areas in need of improvement. The survey will close on March 31<sup>st</sup>. Thank you! Click here: Parent survey

As we step into the month of March, we are greeted with the promise of spring and a renewed sense of energy within our school. Wishing you all a wonderful month ahead filled with learning, growth, and memorable experiences.

All the best,

Till Hillier Principal

Congratulations to Gavin Garrow in Ms. Bettler's 5th grade class. Gavin won the local Ponte Vedra Daughters of the American Revolution (DAR) essay contest. Standards throughout this school year. The purpose of this letter is to inform you that your student will participate in the third administration (PM3) of the Grades 3-5 Florida Assessment of Student Thinking (FAST) Reading and Math Assessments on the dates below. The results from PM3 will show how well your student has mastered the grade level content standards, and you will be provided with information about how to access the results after testing is completed.

Spring Testing 2024		
Dates	Assessment	
Monday, April 8 <sup>th</sup>	5 <sup>th</sup> Grade FAST Writing	
Tuesday, April 9 <sup>th</sup>	4 <sup>th</sup> Grade FAST Writing	
Wednesday, May 1 <sup>st</sup>	3 <sup>rd</sup> Grade FAST ELA	
Thursday, May 2 <sup>nd</sup>	5 <sup>th</sup> Grade FAST ELA	
Tuesday, May 7 <sup>th</sup>	4 <sup>th</sup> Grade FAST ELA	
Thursday, May 9 <sup>th</sup>	5 <sup>th</sup> Grade FAST Math	
Monday, May 13 <sup>th</sup>	3 <sup>rd</sup> Grade FAST Math	
Tuesday, May 14 <sup>th</sup>	4 <sup>th</sup> Grade FAST Math	
Thursday, May 16 <sup>th</sup>	5 <sup>th</sup> Grade Science	

Your student's FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how a student responds, and each student will see different questions from a common item bank. Each test attempt (PM1, PM2, and PM3) will present items that cover the entire test "blueprint," meaning students will encounter items representative of the standards within the subject or grade level. For more information on the test design, please visit

<u>https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/</u>. If you or your student would like to interact with the online testing platform or review FAST Reading and Math (5<sup>th</sup> Grade Science too) sample items at home, sample test materials are available at <u>https://flfast.org/families.html</u>.

Please review the following policies with your student before testing:

 Electronic Devices—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing or during breaks (e.g.,

- restroom), even if the devices are turned off or students do not use them. If your student is found with
  an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her
  test will be invalidated.
- Calculator Policy—For Grades 7–8 FAST Mathematics assessments, approved handheld scientific calculators may be used. For Grade 6 FAST Mathematics, a handheld four-function calculator may be used.
- Testing Rules Acknowledgment—All tests include a Testing Rules Acknowledgment that reads: "I
  understand the testing rules that were just read to me. If I do not follow these rules, my test score may
  be invalidated." Prior to testing, test administrators read the rules to students, and students
  acknowledge that they understand the testing rules by clicking the box in the secure browser indicating
  they understand the testing rules.
- Discussing Test Content after Testing—The last portion of the testing rules read to students before they
  click the box to accept the Testing Rules Acknowledgment states that because the content of all
  statewide assessments is secure, students may not discuss or reveal details about the test content
  (including test items and passages) after the test. This includes any type of electronic communication,
  such as texting, emailing, or posting to social media sites. Please make sure your student understands
  this policy prior to testing and remind them that "discussing" test content includes any kind of electronic
  communication, such as texting, emailing, posting to social media, or sharing online. While students may
  not share information about secure test content after testing, this policy is not intended to prevent
  students from discussing their testing experiences with their parents/families.
- Working Independently—Students are responsible for doing their own work during the test and for
  protecting their answers from being seen by others. If students are caught cheating during testing, their
  tests will be invalidated.
- Leaving Campus—If your student leaves campus before completing a test (e.g., for lunch, an
  appointment), he or she will not be allowed to return to that test. If your student does not feel well on
  the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please
  remember not to schedule appointments on testing days.
- Testing Accommodations—If your student has an Individual Education Plan (IEP), a Section 504 Plan, or is an English Language Learner (ELL) or a recently exited ELL, please contact the school to discuss the testing accommodations that will be provided for your student.

If you have any questions related to this test administration, you may contact Rebecca Whaley, Assistant Principal, at <u>Rebecca.Whaley@stjohns.k12.fl.us</u>.

For more information about the FAST program, please visit the portal at FLFAST.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

The Lost-n-Found at both buildings is quite full. If you recognize your item(s), please come get them.

#### Parents,

Below is the list of the Sunshine State Young Readers Award Junior Books for 2023-2024. Mrs. Masitti will read aloud these books to the students throughout the year in the Media Center. However, if your child is interested in earning our SSYRA JR brag tags, they will need to read the books on their own at home. You are welcome to read the books with your child or have them read independently. Once your child has read each book, initial next to the title and turn in this form. Try to read all 15 or just a few; it's up to you! Return this sheet to the Media Center when you are DONE reading! \*In lieu of this form, first and second graders can complete AR quizzes and earn brag tags as quizzes are completed.\*

#### All Elementary and K-8 Schools Invited to Compete!

The Players © Character Cup (CC) in partnership with SJCSD is a student-centered event highlighting physical education with the goal of linking academics and character education through healthy athletic competition. Last year 21 schools and 220 plus 5th grade students participated in ten events. While it is not required, we hope to have 100% participation from all our elementary and K-8 schools this year.

The event will take place Wednesday, March 6, 2024, at Allen D. Nease High School's athletic field. Wednesday, March 27 has been designated as a rain date. Parents, teachers, administrators, school mascots and community members are all encouraged to attend.

All team members including alternates will receive a certificate of participation and following each event first, second and third place winners will receive medals. The Character Cup Trophy will be awarded to the winning team along with 2nd and 3rd place trophies for the two schools that score the next highest overall scores.

Thank you for supporting our students, physical education and the pillars of CHARACTER COUNTS! We look forward to another outstanding event!

### **Deputy Taylor's Car Line Reminders**

Deputy Taylor would like to remind everyone of some very important information regarding school pick up and drop off. Please follow all signs and arrows in the parking lot. When instructed, please pull up to the designated area to pick up your child. To assist in buckling seatbelts at PV, you may pull into a parking spot on your way out, but please do not hold up the car line.

### Car Line is a No-Phone-Zone

Florida law prohibits using a handheld "wireless communication device" while operating a vehicle in any school zone, school crossing, or work zone. The definition of a wireless communication device is broad and includes cellphones, tablets, laptops, and similar devices.

### FLORIDA LAW ON VEHICLE CHILD RESTRAINT

All children aged 5 and younger must be restrained in a federally approved, crash tested, child restraint device. This includes separate carriers, boosters, or vehicle manufacturer integrated child seat.

Dear St. Johns County Parents,

Welcome back to school! I am thrilled to share that there will continue to be a Deputy Sheriff in each St. Johns County public school within our jurisdiction. The St. Augustine Police Department will also have officers placed at RB Hunt Elementary, Ketterlinus Elementary, Gaines Alternative School, and St. Joseph Academy. The partnership between our agency, the school district, and most importantly the families and students is vital to our success as a county.

As your Sheriff, I challenge all parents to continue being an active participant in your child's life. Their future depends on it. As a youth coach in St. Johns County for nearly 30 years, I've seen first-hand the importance of strong mentorship and involvement with our youth.

For me and this agency, there is nothing more important to us than the safety of our students. Our Youth Resources Deputies under the leadership of Captain Peggy Tennyson have spent the summer training so they are prepared for any situation that may occur during the school year. I cannot stress enough that if you see something, please say something. If it is an emergency, please dial 911 or for a non-emergency, call 904-824-8304. We will always put the safety and well-being of your children first.

I also challenge both parents and students to get to know your respective school's Youth Resource Deputy. The St. Johns County Sheriff's Office Youth Resource Deputies are there for each of you. If you hear or see something you think isn't right or you have a question about, reach out to them. It is paramount that our students know that the deputy in a uniform is a friend and there to be a resource to them.

I would also encourage you and your child to utilize the FortifyFL app to report suspicious information that is learned by our schools and students. These tips are relayed to law enforcement and school officials for immediate investigation. It is incredibly important for parents to remain vigilant and aware of their children's activities at school and elsewhere.

Finally, I'd like to thank you for your continued support of law enforcement in St. Johns County. It is truly our honor to be of service to you. For updates and current events on the St. Johns County Sheriff's Office, please follow us on Facebook, Instagram, and Twitter. As always, please do not hesitate to contact my office if we can ever be of assistance.

Sincerely

Robert A. Hardwick Sheriff
