Street Performers at Night of the Arts

Wednesday, April 9, 2025

5:30-7:00pm

Do you have a talent?

Do you take private voice/instrumental lessons?

Do you like to perform for others?

If so, you may want to sign up to share your musical talent as one of our "street performers" for our school's "Night of the Arts". This event will celebrate the visual arts by displaying all the students' artwork throughout the school. In addition, there will be art make and take stations set up in the hallways. We would like to have some "street performers" in specific areas of the hall. Please note that this will not be a sit-down quiet environment. People will be talking and strolling through the halls as you perform. We are planning on setting up two performance areas at Rawlings and one area at PVPV. If you would like to perform, please review the guidelines and sign up online via Signup Genius no later than April 2, 2025.

If you have questions, please email: Deirdre.Hunt@stjohns.k12.fl.us. We look forward to hearing some of our wonderful musicians!

Guidelines:

- All students must always be accompanied by an adult during their performance.
- Parents/guardians are responsible for making sure the content of the performance is school appropriate.
- Parents/guardians must assist their child while using the equipment (i.e. turning mic volume up/down, plugging a guitar into the amp. etc). A music teacher will be on site checking on each performance area but may not be at your specific area when you are performing.
- Time slots will be available online through Sign Up Genius. Slots are 15 minutes a piece. Students may also perform in small groups. Only one student per group needs to sign up.
- There will be three performance areas available. Please make sure you sign up for the area that has the equipment you will need to perform. All stations are available for all grade levels.
- The Signup Genius will close at midnight on April 2, 2025.
