Dear Elementary School Parent or Guardian,

Welcome to the 2025-2026 school year! I hope you had a wonderful summer. This letter serves to inform you of future middle and high school options for your child. It is never too early to begin consideration of your child's future educational goals, and our state requires that we inform you of these opportunities. Our programs of interest include career academies, advanced academic programs, virtual school options, Junior Reserve Officers Training Corps and the arts. More information is available at <https://cte.stjohns.k12.fl.us/programs/>.

Virtual courses may be taken during or after the school day, either at or away from your student's regular school of attendance. The next open enrollment periods to apply for St. Johns Virtual School as a full-time student are October 31st to December 5th, 2025, and in the spring, April 10th to July 10th, 2026. Enrollment in part-time virtual courses is subject to the school's normal drop/add policy. Virtual course request must be approved by a guidance counselor. To learn about all virtual options, please visit <https://www-sjvs.stjohns.k12.fl.us> or call 904-547-8080.

St. Johns County schools also offer Academically Challenging Curriculum to Enhance Learning (ACCEL) options. Options include but are not limited to:

Elementary School	Single course and whole grade acceleration; virtual instruction in a higher grade-level course; ACCEL options do not supersede initial placement by age criteria (1003.21(1)(a)2F.S.)
Middle School	High school courses in middle school; virtual instruction in a higher grade-level course; ACCEL options do not supersede the core course requirements for promotion to high school (1003.4156 F.S.)
High School	College credit via Advanced Placement, Career or College Dual Enrollment, Advanced International Certificate of Education or International Baccalaureate courses; course credit for passing state End-of-Course assessments; virtual instruction in advanced courses; early graduation; industry certifications. To see a list of articulation agreements visit https://www.fldoe.org/academics/career-adult-edu/career-technical-edu-agreements/industry-certification.shtml (1003.4295 F.S.)

Finally, there are several diploma options. Designations are dependent upon a student's course of study. Details regarding the criteria for each option and graduation requirements can be found at <https://fldoe.org/schools/k-12-public-schools/sss/graduation-requirements/>.

*The St. Johns County School District will inspire good character and a passion for lifelong learning
in all students, creating educated and caring contributors to the world.*
